

Becoming A

went on in life to become a great apostle of the faith. It requires no faith, no courage, no effort, no risk, no stamina, no strength, to give up on what you are called to do because of a failure. Anyone can quit, or give up. Champions get back up after a failure. . . champions refuse to blame someone else, or hide behind their misfortune. John Mason author of a book entitled: " An Enemy Called Average" has good advice for those who have faced the challenge of failure
